**Position/Program Information**

Under general supervision, analyzes, designs, evaluates, develops, codes, tests, and maintains application systems. Incumbents in this journey-level class possess a full range of analytical skills in programming. Working from program specifications and using one or more programming languages, they independently analyze, code, test, and debug program logic for a complete system or for a component or a module of a complex system. Incumbents understand and are able to apply a full range of application development concepts, such as structured program design or object oriented design. Incumbents possess a thorough understanding of requirements analysis. They elicit and document requirements using industry standard methodologies and/or analysis tools. The Application Developer Series is distinguished from the Information Systems Analyst Series in that Application Developers perform programming duties and are required to have programming knowledge and experience.

**Essential Job Functions**

Codes, tests and debugs application programs to create new business applications and interfaces or maintains/modifies existing business applications according to program specifications. Develops program specifications. Performs unit or modular testing and integration testing for new or modified applications. Writes and

executes programs to extract, transform, and load data for system conversions. Prepares technical documents, user manuals, and help files. Identifies, analyzes, records, tracks, and resolves application problems. Develops functional requirements, as needed. Installs application software, as needed. Research application development tools and methodologies and makes recommendations to management, as needed. Assists in the development of solicitation documents including requests for information, requests for proposals, requests for quotes, and statements of work, as needed. Assists in reviewing vendor performance, as needed. Assists in database management related activities for a specific application, as needed.

Publications such as American Universities and Colleges and International Handbook of Universities are acceptable references. Also acceptable, if appropriate, are degrees that have been evaluated and deemed to be equivalent to degrees from United States accredited institutions by an academic credential evaluation agency recognized by The National Association of Credential Evaluation Services or the Association of International Credential Evaluators, Inc. (AICE).

**Examination  
Content**

This examination will consist of a qualifying assessment of each candidate's training and experience on the basis of information submitted on the Los Angeles County Application and Supplemental Application Form at the time of filing to determine the level and scope of the candidate's preparation for this position, including the desirable qualifications. The candidates with a score of 70% or higher, as determined by the screening process, will be invited to the interview weighted 100%. The interview will assess the candidate's education, experience, personal fitness, general knowledge and abilities to perform the duties of the position.

Candidates must achieve a passing score of 70% or higher in the interview in order to be placed on the eligible register.

**Special  
Information**

The prospective candidate is required to satisfy a background check prior to final appointment, including Live Scan fingerprinting.

**Vacancy  
Information**

The resulting eligible register for this examination will be used to fill vacancies in the Los Angeles County Department of Mental Health, Chief Information Office Bureau, Enterprise Project Management and Planning Division.

**Eligibility  
Information**

The names of candidates receiving a passing grade in this examination will be placed on the eligible register in the order of their score group for a period of twelve (12) months following the date of promulgation.

**Retake: No person may compete for this examination more than once every twelve months.**

**Available Shift  
Application and  
Filing  
Information**

Any

**ONLINE FILING ONLY**

Applicants are required to complete and submit an online Los Angeles County

Employment Application AND Supplemental Questionnaire in order to be considered for this examination. Paper applications, resumes, or any unsolicited documents will not be accepted in lieu of completing the online application and Supplemental Questionnaire.

#### INSTRUCTIONS FOR FILING ONLINE:

Apply online by clicking on the tab above or below this bulletin that reads, Apply to Job so you can apply online and track the status of your application and get notified of your progress by mail.

We must receive your application and supplemental Questionnaire by 5:00 pm PST, on the last day of filing.

Clear and legible copies of the required documents (e.g. Diploma, Official Transcripts, License, Certificates, etc. MUST BE uploaded as attachments during application submission -OR- sent by email to [hshannon@dmh.lacounty.gov](mailto:hshannon@dmh.lacounty.gov) within 15 calendar days from date of application submission.

The acceptance of your application will depend on whether you have clearly shown that you meet the Selection Requirements. Your online application must show complete license, education and work experience information necessary to evaluate your qualifications. License information section must show title of license, license number, original date of issue, and expiration date. Education information section must include name and

address of school attended, complete dates attended, name of course/s taken, number of units earned, and degree/s earned.

Work experience section must include job title, employer name and address, name of work area/facility, actual payroll title held and not the working and/or functional titles, from/to dates of employment including month, day and year, total number of months, total number of hours worked per week - not a range of hours (full or part-time), and complete and detailed description of related job duties. If range of hours is provided, experience will be prorated based on the lowest number of hours worked per week. LIST separately each job experience to be evaluated.

Applications may be rejected at any stage during the selection process. Applications with missing information required for evaluation will not be accepted.

All information supplied by applicants is subject to verification.
